CLASS DAY IS GALA HIGH SCHOOL FETE

Fine Program Rendered By Graduating Students

Seated under the school pennants bearing the class colors of purple and gold, the McKinley High School class of 1933 yesterday afternoon conducted class-day exercises on the beautiful grounds Watiki of the main school building.

A large American flag, strung between two large algeroba trees, was fittingly placed there to keep off the sun, which otherwise would have been a menace to the audience, which consisted principally of ladies.

On and around the steps where the speakers addressed the audience the yellow and purple flowers, representing the class colors, were conspicuously displayed. The decoration was done by the members of the class who will be graduated from the school tomorrow night.

Following is the program rendered under the direction of Frank R. James of the class of '09:

1. Class Poem, by Miss Florence Towse.
2. S. A. Composition, by Miss H. Wikander.
3. History, by R. Douglas.
4. Will, by Miss Uarda Burt.
5. Mystic Prophecies, by Edward Tracy.
6. Song, by Class of '09.
7. Ivy Oration, by D. King.
8. Class Song, by all.

The class song, composed by Miss Edith Smith, follows:
We are first of McKinley High;
Our thoughts will be always turning
To our Alma Mater we tender thanks
For our store of knowledge and learning.

And now to our class mates from whom we part,
For whom our hearts will be yearning.
So come, let us cheer for the class we hold dear,
Hurrah for the class of Naught Nine.

Here's to the class of Nineteen nine,
Here's to her colors, too.
Here's to her girls, the best on earth.
Here's to her boys so true.
Here's to the purple and the gold
With violets we'll entwine.
Here's to McKinley, Rah! Rah! Rah!
Here's to the Naughty Nine.

And now, class mates of Naughty Nine,
Our school days ne'er forget.
The joys and tears of High School Years
Will linger round us yet.
Our class mates true, farewell to you,
May our friendship still remain.
When far away from Hawaii Nei
Remember Naughty Nine.
When far away from Hawaii Nei
Remember Naughty Nine.

Among the spectators yesterday was Prince Kalaniana'ole, delegate to Congress.
After the exercises, the class of '09, together with the audience, witnessed the planting of the class tree in front of the main entrance. The members of the class wore the class colors on their arms.

Professor Scott, principal of the school, stated yesterday that the exercises of the Class Day were prepared by the members of the class. The teachers were tabooed from taking part in the program.

The Hawaiian band, stationed near by, rendered several appropriate selections for the occasion.

LIGHTFOOT LOSES; TRIAL WILL GO ON

Better Fight Is Made For Continuation, But Judge Rules Against High Wage Lawyer's Contentions—More Legal Talent Now Needed

After another strenuous legal fight in person, the Waiakani laborers in many instances report having received threatening letters attempting to induce them to join the Union, but they all declined to do so, and no representative from that plantation appeared at the meeting. As a matter of fact, the feeling existing on the part of the bona fide laborers is shown by the fact that the laborers intend to have a loan to celebrate the harmony existing among them.

THEY MET IN HONOLULU

The New York World of recent date contains the following:
